EMEA College of Arts and Science is a prominent institution affiliated with the University of Calicut, offering a wide range of undergraduate, postgraduate, and research programs. Established in 1982, the college has played a pivotal role in the educational advancement of the Malabar region in Kerala, creating an environment conducive to both intellectual and cultural development.

Building on its strong academic foundation, **EMERGE** will serve as a platform for inter and cross-disciplinary engagement, bringing together thought leaders, academics, and researchers from around the world. This multidisciplinary conference upholds EMEA's commitment to promoting dialogue across diverse fields of study, with three major tracks: **Humanities, Social Sciences and Literature, Sciences, and Commerce and Management.**

## Theme

### **Knowledge: Innovation, Creation, Connection**

This edition of **EMERGE** will explore the intersections of innovation, creation, and connection within various disciplines. The theme resonates with the idea of knowledge as a transformative force that not only generates new ideas but also connects diverse perspectives and practices. **EMERGE** aims to promote intellectual exploration and collaboration by addressing contemporary issues that affect our global society.
